

AQUAM is very pleased to announce its new partnership with CALA Inc.

CALA has been mandated to offer Hydrorider specialty training to our Canadian customer base. This partnership will assure that Canadian fitness instructors will receive quality training, recognized by The Canadian AquaFitness Leaders Alliance Inc..

Do not miss the CALA Hydrorider Workshops at the upcoming CALA Spring Conference in Kitchener on March 25-27. We will be introducing the Hydrorider with 12 bikes in the pool!

This specialized professional development provided by CALA Inc., includes Provincial and National Continuing Education, Renewal and Recertification credits (CPD+ CEC credits).

If you have any questions about the Hydrorider, call us at the number below or meet us in person at one of the following conferences near you:
