CALA HEALING WATERS PROGRAM

AQUATIC POST REHABILITATION PREP and AQUA ARTHRITIS COURSES

Huron Park Recreation Ctr. – Mississauga, ON

High Quality Training and International Certification: The CALA Healing Waters Program

The CALA Healing Waters Program is designed to provide high quality, current, research based training and certification in aquatic post rehabilitation and water exercise for specialized populations. The launch of this program marks the beginning of an ongoing series of specialized courses.

The selected courses for this CALA Program offered by the City of Mississauga include:

- The CALA Aquatic Post-Rehabilitation Prep Course (pre-requisite for all CALA Post-Rehab Courses)
- The CALA Aqua Arthritis and Joint Replacement Course

Coming soon; selected specialty courses will be on offer in the following areas of interest:

- Cancer
- Post Burn
- Post Cardiac
- Osteoporosis
- Sports Injuries
- Multiple Sclerosis
- Back Care and Whiplash
- Post Stroke and Brain Injury
- Diabetes
- Degenerative Neuromuscular Conditions (including Muscular Dystrophy, Parkinson's)

Bar Code for Registration: **CALA members 568064** (CALA non-members 569255)
