### About PPL

#### An Introduction to the Canadian Leader

Since 1970 PPL Aquatic, Fitness & Spa Group Inc. has been regarded as the Canadian industry leader in commercial pool and recreation facility design, construction, supply, service and staffing.

[View how we have grown](#)

While we are the largest company of our type in the industry, we maintain the small company, personal touch attitude that is the corner stone of our success. Our 200+ years of experience in our Senior Management team who are CPO Certified will provide an unmatched knowledge base that ensures our clients receive better built, serviced, and staffed facilities.

Our National Pool & Spa Awards for best built pools and spas as well as numerous Excellence in Service Awards are testimony to the quality PPL Group provides our customers. As seen on our list of design awards, PPL has achieved excellence in Class A and Class B Pools, Residential Pools, Specialty Pools and Spas and Water Features.
